

Asia's Leading Instruments, Control and Automation Exhibition

The 9th International Exhibition & Conference on Instrumentation, Control & Automation Technology

Presents

MEASUREMENT TECHNOLOGY
The 9th International Exhibition on Measurement, Testing, Calibration Instruments and Services

LABORATORY
The 9th International Exhibition on Scientific Laboratory, Research & Analytical Instruments

PROCESS CONTROL & SYSTEMS
The 9th International Exhibition on Process Controllers, Software and Systems Technology

ENVIRONMENTAL TECHNOLOGY
The 9th International Exhibition on Environmental Testing, Monitoring, Control & Waste

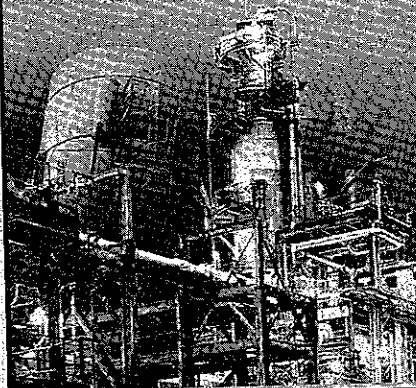

PUMPS, VALVES & MOTORS TECHNOLOGY
The 9th International Exhibition on Pumps, Valves and Motors Technology

INDUSTRIAL AUTOMATION
The 9th International Exhibition on Robotics, Automation, Drive, Software Technology & Services

Powering the Manufacturing Industry with Techno-Solutions

- More than 400 participating and represented companies from 20 countries and 3 international pavilions from Germany, Korea & Singapore.
- Latest breakthrough technology.
- Lucrative business opportunities and increase business network.
- Intelligent solutions to improve manufacturing processes and laboratory performances.
- Technical presentations on the latest manufacturing technology.
- New product launches.
- Conference on "Delivering Superior Performing Plants With Process Automation Solutions"

“ Be part of this international gathering for CEOs/MDs, businessmen, consultants, scientists, researchers, engineers, production crew, chemists, quality consultants, technicians..... ”

Date : 10-13 June 2008
Venue : Kuala Lumpur Convention Centre
Opening Hours : 11am - 6pm (10-12 June)
 : 11am - 5pm (13 June)
